RUGBY DICE GAME

With a little help from the friends in the WRU rugby department, we have come up with a new game!

A game you can play either on your own or with others.

Objective:

The first person to score 30pts or to 30pts in the least number of rolls if you are playing on your own.

You will need:

- A Dice
- Pen & Paper

RULES:

1. You can play the game with a partner or more or on your own
2. Youngest goes first
3. Take turns to throw the dice.
 - If you roll a 1 this is a red card – miss a turn
 - Nothing for a 2
 - If you roll a 3 this is a penalty shot at goal – To score, roll the dice again, if you get an even number then you get 3pts, if you roll an odd number then it's a miss
 - Nothing for a 4
 - If you roll a 5 you score a try (5 points). To score the conversion, roll the dice again, if you get an even number then you get 2pt, if you roll an odd number then it's a miss
 - If you roll a 6 then this is a turnover and the other player gets to roll
